Request for Qualifications (RFQ)
SFUSD Wellness Policy Project

The San Francisco Unified School District (SFUSD) Wellness Policy Project is excited to announce our Request for Qualifications for the Sugary Drinks Distribution Tax (SDDT) Healthy Communities Grant.

The SFUSD Wellness Policy Project is offering funding for community-based organizations (CBOs), faith-based organizations (FBOs), and/or private agencies to provide community-driven and equitable health and wellness programming to our students, staff and families, especially for SFUSD’s most historically marginalized communities. We are looking to provide service in the following four categories:

1. Healthy Fundraising PlayBook Kit
2. Alternative Rewards Playbook for Students from School Staff
3. Physical Activity Strategies and Programming
4. Work-Site Wellness: Role Model and Participate in Self-Care Opportunities

If you are interested in applying, please read our RFQ Information document to learn more about the background of the Wellness Policy, the SDDT, and our framework of action. The RFQ Contract Application can be found in the RFQ Information document.

Important dates:
Date Issued: September 30, 2019
Question Submittal Date: October 11, 2019
APPLICATION DUE: December 20, 2019
Qualification Notification: January 17, 2020
Appeal Deadline: January 31, 2020
Final Notification: February 7, 2020
