RFI ADDENDUM NO. 1

SCHOOL FINDER REDESIGN
IFB No. SFR-2020

Due Date: AUGUST 7, 2020 at no later than 2:00 PM PST

TO: ALL BIDDERS

DATE OF ISSUANCE: August 6, 2020

BIDDERS ARE ADVISED:

The San Francisco Unified School District (“District”) hereby issues this RFI Addendum No. 1 to the RFI Document, as defined below. This RFI Addendum No. 1 modifies School Finder Redesign for RFI No. SFR-2020, as detailed herein.

The following shall apply to this RFI Addendum No. 1:

Requirements for any solution will include (in addition to existing requirements regarding: budget, functionality, etc.):

- Language accessibility
- Accessibility for disabled persons
- Data in School Finder and the Drupal school sites will come from the same “source” information. If there is anything in the Redesign School Finder that is not currently in Drupal, solution must include plans on how the Educational Placement Center (EPC) would synchronize/upload that information and integrate it down the line.
- User testing before official launch

In addition, Drupal integration is very strongly preferred, but not required.

Sincerely,

Susan Chan
