I. INTRODUCTION

The San Francisco Unified School District ("District" or SFUSD’), on behalf of the District’s Student Nutrition Services (SNS) Department, is calling for proposals to furnish Paper Products and Kitchen Supplies to select District sites as detailed in this Invitation for Bid.

Student Nutrition Services is a student centered, equitable, and financially stable school food eco-system that provides dignified meal experiences and engages all students in eating fresh, healthy food. Our mission is to nourish our students every day with quality food that enables them to thrive inside and outside the classroom, as we innovate to strengthen SFUSD’s school food ecosystem.

The SNS department operates the largest public food service program in San Francisco, providing 20,000 lunches, 7,500 breakfasts, 6,000 suppers and 3,000 after-school snacks on a daily basis. Of which, 5,500 meals are prepared and packaged on site in 21 kitchens throughout the City. As part of their efforts, SNS is committed to supporting the District’s zero waste sustainability goals, diverting 85% of waste from the landfill by 2025, by using sustainably produced and/or compostable and reusable products when possible, and cleaning products that have minimal impact on their workers and the environment.

The successful Vendor must have adequate financial resources to perform the Contract, be able to comply with the Contract performance schedule taking into consideration all existing other business commitments, must meet the requirements set forth in this Invitation for Bid; be able to provide the services outlined herein; have a satisfactory performance record; have a satisfactory record of integrity and business ethics; have the necessary organization, personnel, experience, accounting and operational controls, technical skills, equipment and facilities; and be otherwise qualified and eligible to receive an award under applicable state and federal laws and regulations.

Bidders should read this Invitation for Bid carefully and review all instructions contained herein. Incomplete or incorrect proposals may be rejected as not conforming to the requirements of the request. Proposals submitted on other than the prescribed forms contained in this request will be rejected. 3. **BID SELECTION PROCESS**
   The contract will be awarded to the lowest responsive and responsible bidder. Responsive bidders will be determined based on the satisfactory review of qualifications as laid out in this Invitation for Bid. All vendors deemed responsive, bids will be evaluated based on price as outlined in the Bid Sheet listed under the Total Bid Price (Appendix C).    The District reserves the right to reject all bids. The District also reserves the right to waive informalities and minor irregularities in bids received.

   The award, if made, will be within five (5) days of the approval by the Board of Education. If the bidder to whom an award is made fails or refuses to execute the Contract and provide the required bonds, certificates, licenses and permits within fifteen (15) days of the award, the District may declare the bidder’s bid deposit or bond forfeited as damages caused by the failure of the bidder to enter into the contract.    Bidders who do not respond to all of the requirements/instructions stated in this Invitation for Bid may be deemed non-responsive and their bid may be rejected. To receive full consideration, a proposal must be unqualified and unconditional.
